

Whatever you have heard about “staying pure before marriage” or “not having sex before marriage” wipe that clean from your mind right now!

Being a teen/young woman is not about the latest fashions, how popular you are, how much you weigh or how many boys/men you have slept with.

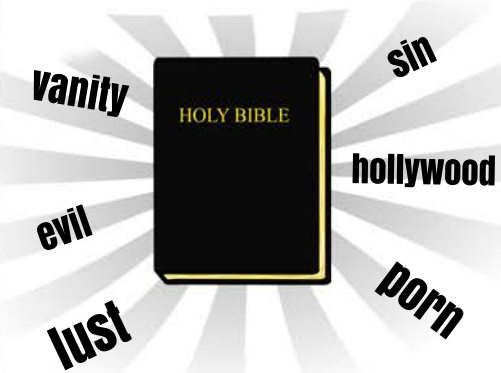

There is so much more to life!

How to remain pure before marriage is first asking Jesus Christ to be your one and only Lord. Once you do that, you are on your way to staying pure.

God is the only untainted Truth in this world. Once you know the Truth, you will see the world for what it truly is. Being pure before marriage incorporates several things:

1- Understand you are not perfect

2- Constantly pray and meditate on God's word

3- Keep your eyes and ears protected

4- Keep your body to yourself until marriage

If you have already compromised or have not stayed pure be rest assured its not too late!

“I want to know the Truth. Please show me. Teach my heart, mind and soul. I repent of my sins and evil. Cleanse me I want to believe in you Jesus Christ.”

If you mean it, he will save you! Now, open up the Holy Bible (KJV preferred) and start reading

1 Thessalonians 4:7 - For God hath not called us unto uncleanness, but unto holiness.
